

12th Annual Wind & Fire Burn-Out Poker Run September 13, 2014

Thunder Mountain Wind and Fire was formed in September 2002 to bring the brotherhood of firefighters back into the fire service on two wheels. "Our group will benefit the public welfare through fire safety awareness and education, and by raising funds to assist victims and families of fire, disasters, serious illness, other persons with financial needs; to fund research or scientific endeavors, or to contribute to any other charitable purpose or cause." We have organized a number of charity events including two for a local 5-year-old girl with a brain tumor, one for a local teen with cancer, an event for the Burn Center in Greeley, and a number of events for Partners Mentoring Youth.

Our main event this year will benefit Angel Faces. "Angel Faces is a non-profit organization whose mission is to provide healing retreats designed to inspire adolescent girls with severe facial disfigurements, to achieve their optimal potential, develop meaningful relationships for themselves, their families, and their communities."

Last year, approximately 50 bikers participated in our poker run. Thanks to sponsorships, participants, and countless volunteer hours, \$1,200 was raised to support the youth of our community. This year, we hope to raise even more money to help send girls to the retreat. For more information about Angel Faces, please visit www.angelfacesretreat.org.
